

Tissue Paper Flowers in a Flower Pot!

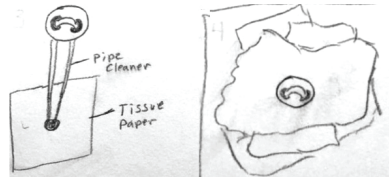

1. Decorate your Flowerpot.

2. Take your pipe cleaner and bend in half. Push both ends of the pipe cleaner through both buttonholes.

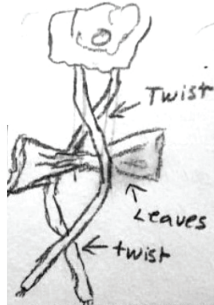

3. Grab three colored squares of tissue paper. Push the pipe cleaner ends through the center of the tissue squares.

Pull the squares to meet the button.

4. Take two green tissue squares and place them 3 inches below on the pipe cleaner. Twist the pipe cleaner above and below green tissue paper (the leaves).

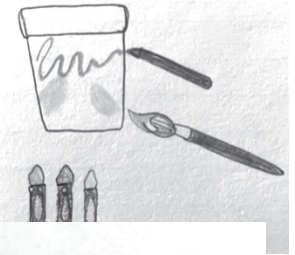

5. Stick flower creation into your pot! Repeat steps 2 - 5 for more flowers.

Flores de papel tisú en maceta

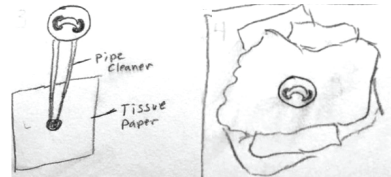

1. Decora tu maceta.

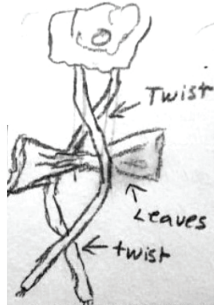

2. Toma tu limpiapipas y dóblalo por la mitad. Empuje ambos extremos del limpiapipas a través de ambos ojales.

3. Coge tres cuadrados de papel de seda de colores. Empuje los extremos del limpiapipas a través del centro de los cuadrados de tejido. Tira de los cuadrados para encontrar el botón.

4. Tome dos cuadrados de tejido verde y colóquelos a 3 pulgadas debajo del limpiapipas. Gire el limpiapipas por encima y por debajo del papel de seda verde (las hojas).

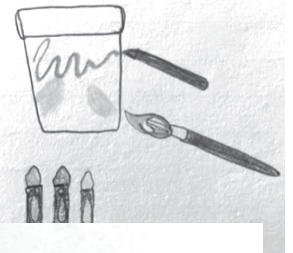

5. ¡Coloca la creación de flores en tu maceta! Repita los pasos 2 a 5 para obtener más flores.
